Committee Identification Number: C00255695
Response to RFAI Dated October 21, 2005
RE: June Monthly Report (05/01/05 - 05/31/05)

1. The Libertarian National Committee's (hereafter The Committee) current "Best Efforts" procedures for ascertaining contributor information result in from 87% to 90% compliance from contributors. The Committee requests address, employer, and occupation information from all contributors whose yearly aggregate contributions exceed \$200.00 and informs them of the requirement of complying with 11 CFR 104.7(b)(1). In the event that the information is not supplied as a result of the initial request, Committee makes a subsequent attempt to collect the information by mail, email, or telephone contact within 30 days of the initial contribution. If the information is submitted after the initial monthly report is filed, the contributor file is updated and the information is corrected in a subsequent amendment. The Committee has changed its filing procedures to populate fields that are missing information with the text "Information Requested" to indicate that it has made a Best Efforts attempt to comply with the requirements of 11 CFR 104.7(b)(1). Subsequent filings reflect this change. The Committee is in the process of amending the May filing to demonstrate compliance. We intend to file this amendment no later than November 30, 2005.

2. No expenditures reflected on the Schedule B were made on behalf of any federal candidate or candidate committee. All expenditures for "Printing and Mailing Services", "Printing and Photocopying", "Printing and Mailing Services", "Printing Service", and "Printing Services" were made for services provided to the Libertarian National Committee. The LNC is in the process of amending the May filing to clarify these descriptions. We intend to file this amendment no later than November 30, 2005.
